

About Winter Opera Saint Louis

Winter Opera Saint Louis, a non-profit organization, was founded in August of 2007 with the goal of staging our first opera in February 2008. Our mission is to bring opera to the people of St. Louis during the winter months and to invest in the St. Louis arts community by providing performance opportunities for local artists.

A main part of Winter Opera's focus has always been on youth education and outreach, with the Winter Opera Children's Chorus appearing in many of our operas, including *Cavalleria Rusticana* in 2011, *La bohème* in 2012 and *Tosca* in 2013.

This year we are very proud to add the Summer Sensation Vocal Performance Training sessions for youth and teens, as well as a Resident Artist Program for young professional singers in the area. We know how important it is to get young people involved music, theater and dance, and we hope you will join Winter Opera this season in promoting the arts in St. Louis!

Summer Sensation Vocal Performance Training

with Winter Opera Saint Louis

Our Vocal Performance Training sessions are designed to give participants an authentic training experience in performance preparation. Participants will receive individual voice lessons, group vocal coaching, dance instruction and acting coaching from licensed working artists of the St. Louis Metro Area.

The session culminates in a final public performance to celebrate the performer's achievements and showcase each participant.

Located in 'The Hill' neighborhood of Saint Louis, the Winter Opera Rehearsal Studio is a convenient space dedicated to the development of local artists. With two rehearsal rooms, three practice rooms and four upright pianos, it is the ideal space for teaching lessons and music classes. Take this opportunity to train with the stars of Winter Opera Saint Louis!
